

YOUR QUICKPAY MATTERS

TriumphPay is the logistics industry's ultimate payment processing tool that allows brokers and shippers to manage their payment processes, increase their revenue and retain their top drivers — *with no out-of-pocket costs.*

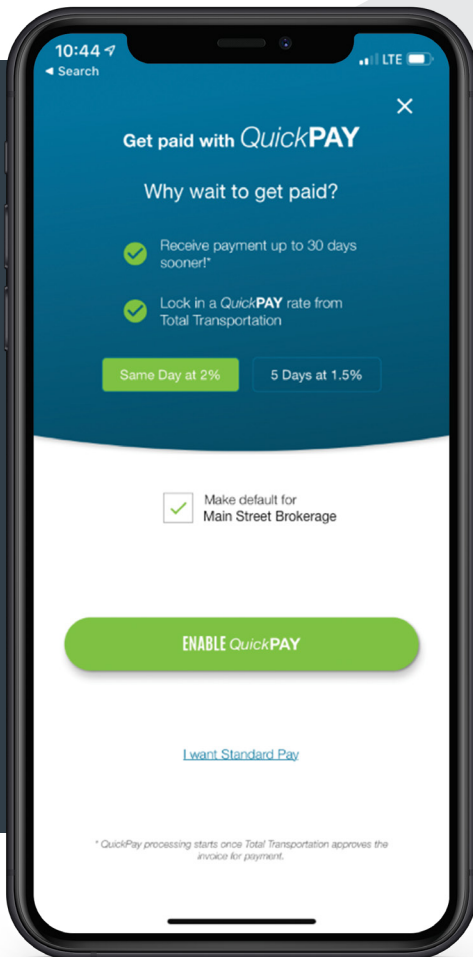

CARRIERS LOVE TRIUMPHPAY

"TriumphPay has been there every time we have a question. Several of the brokers that I use are enrolled and it is really nice having them all in one place."

- John P., Carrier with 11 Trucks

TRIUMHPAY
NOW INTEGRATES WITH
HUBTRAN

The TriumphPay mobile application is designed to provide a seamless paperwork experience for brokers and carriers. We recently partnered with HubTran to further complete the paperwork cycle and expedite paperwork processing so carriers can get paid faster. With TriumphPay and HubTran, a carrier can submit paperwork, have it approved by the broker, and be paid QuickPay in as little as a few minutes. The TriumphPay mobile app offers the following features at no out-of-pocket cost:

- Mobile Image Capture and Invoice Presentment
- Payment Settlement and Remittance
- Integrated QuickPay and Supply Chain Finance
